..ITS COMING...ITS COMING...ITS COMING...ITS COMING..

Youth Justice Ontario to Launch Revitalized Web Site

Look for the launch of our new and improved web-site coming to your Internet soon. The new site will have a new look, be much easier to use with many more features. One very neat capability is to locate not only agencies but their individual programs as well, using Google Maps. When you cursor over the actual program an info bubble will appear with basic program and contact information popping up. Want to see where the actual building is just zoom on in, on the map view to get directions or the satellite view to see the landscaping. (OK, maybe a bit of an exaggeration)

Youth Justice Ontario is pleased to announce that St. Leonard's Society of London has joined our association. St. Leonard's E.D. Peter Aharn, will be familiar to most of you through his work with M.C.S.S. during the lead up to and the implementation of the Y.JC.A.

St. Leonard's Society of London is a private, non-profit organization. For over thirty years, in partnership with government and the London community, we have provided strong essential services within the criminal justice field. Through residential and community based programs, we work toward the goal of safer communities. For more information please visit their web site at www.slcs.ca.
